NEVADA GAMING CONTROL BOARD

Wednesday, January 25, 1956

The meeting was called to order at 10:30 a.m., in the office of the Gaming Control Board, by Chairman R. E. Cahill, with the following members present:

R. E. Cahill, Chairman
 William V. Sinnott, Member
 Newell F. Hancock, Member

Also present were Mr. E. Frandsen Loomis, Commission Attorney, Mr. William G. Gallagher, Agent in Charge, Las Vegas, and Mr. John Stratton, Office Manager.

NEVADA TURF CLUB (HOWARD R. FARRIS) - RENO

Mr. Farris, accompanied by his legal counsel, Judge Clark Guild, and Reno real estate men, John F. Hickok and Charles E. Pace, appeared before the Board in support of his application for a license to operate the Nevada Turf Club. Both Mr. Hickok and Mr. Pace testified that the proposed rent of \$1500 a month to be paid to Mr. Hornstein by Mr. Farris was a reasonable figure. As justification for the payment to Mr. Hornstein of \$900 a month more than the amount called for in Mr. Hornstein's lease, Mr. Farris stated that he was paying no bonus for securing the lease, that the premises, if free of a legal cloud, would readily rent for \$1000 a month plus a bonus, and that he was acquiring the use of all of Mr. Hornstein's racebook equipment. Mr. Farris was again reminded that an improper method of operation of the racebook would result in the loss not only of the Turf Club license, but of all gaming licenses held by him.

RENO CARD ROOM - POKER GAMES (FRANK ALLEN WEAVER) - RENO

Mr. Frank Weaver, accompanied by his counsel, Ralph Tucker, appeared before the Board in support of his application for a license for the Reno Card Room.

Mr. Tucker explained the leasing situation at the proposed premises, 20½ East Commercial Row. Mr. Weaver outlined to the Board his proposed financing for the operation, the source of his funds, and his personal background.

The following action was taken on applications:

Rafer Johnson Set In Seven Events

LOS ANGELES, March 1. (UP) UCLA's Rafer Johnson, world record holder in the decathlon, has been entered in seven events in the Bruins' relay carnival Saturday with the University of Southern California.

The meet will mark Johnson's varsity debut. UCLA coach Ducky Drake tentatively has entered Johnson in both sprint relays, the high hurdles, shotput, javelin, high jump and discus.

ingtain crowd played a polished brand of basketball centered around the scoring efforts of rangy Bob Guthrie at the center post and driving guard Eric Martin, with Guthrie concentrating eight of his points in the second quarter as the Lions left the floor with a 36-28 advantage.

Fallon, meanwhile, showed little of its Wednesday scoring prowess in the first period, and it was not until Val York hit for eight in the second period that the Wave began to look like its Wednesday self. The Churchill team played the Lions on even terms

three quarters. Winnemucca's only change was a replacement when Bankofier fouled out in the late minutes, and Douglas sent in 6'5" freshman Hans Boeving in the final minutes.

Winnemucca built a 10-4 margin in the first period by holding the Tigers to two field goals. Douglas retaliated in the second by limiting the Humboldt quintet to the same number and at the same time plunking in four buckets. It was 14-12 at the half in an amazingly low period.

Winnemucca exploded its fast break in the third as Damon hit three, Bankofier and Stoker two each and O'Carroll another and the period wound up 32-21. In the fourth Damon set the pace with
